

Open Letter of Appreciation to the Community
October 10, 2009

To Nadia Gerspacher and her team of PARE officers

On behalf of the directors of the new team of the Parents Association of the Lycee Rochambeau, PAR, we would like to formally express our thanks and appreciation to the past President of PARE, Nadia Gerspacher, and her team of parents for working so tirelessly on behalf of our students and parents.

Rochambeau is privileged to have such a diverse source of family cultures and backgrounds which makes our community so international and inclusive. However, the richness of the school lies not exclusively in the diversity of its population, but also in the unique ways in which these parents and children engage in the life of the school and share those things most important to them.

We would like to thank the team of PARE for their commitment, dedication, and efforts on behalf of our children and our school.

PAR will continue to engage in all the ways parents are uniquely qualified to enrich the community life of the school for the Lycee. We are inspired by your dedication to continue this mission.

Sincerely,
Christine Agathon-Burton, Sylvie Putnam
